CONSULTATIVE MEETING AND WORKSHOP ON "SCHOOL-BASED APPROACH TO DISASTER RISK MANAGEMENT FOR CULTURAL HERITAGE IN KAMPONG AYER"

BRUNEI, 28th-29th January 2019 – The proposed project for "School-based Approach in Promoting Disaster Risk Mitigation for Cultural Heritage (Kampung Ayer, Brunei Darussalam)" consists of research, events and educational materials development. The programme was attended by two representatives from SEAMEO SEN, Mohd Anis bin Abdul Razak, Research Officer and Muhammad Asyraf bin Maarif, Assistant Researcher.

The event, namely a consultative meeting and workshops was organized from 28th to 31st January 2019 in Kampung Ayer, Brunei. The gathering featured on-site activities such as cultural and risk mapping with Kampung Ayer school teachers and identification of proposed mitigation measures. The programme outputs will lead to the development of educational materials on disaster risk mitigation for cultural heritage to be used within school communities in the aim to raise community awareness of and capacity in cultural heritage conservation.

BENCHMARKING AT SEAMEO RECSAM

PENANG, 30th – 31st January 2019 – The first batch of ten (10) staff of Southeast Asian Ministers of Education Organization, Regional Centre for Special Education (SEAMEO SEN) visited SEAMEO RECSAM on a benchmarking platform to measure best practices mostly on organization management, organization of programmes and the common practices between the two centre.

The two days programme also aimed to improve the quality of work procedures for a more systematic implementation. The programme was indeed very fruitful as many staffs had gained new insights on the procedures and processes of a SEAMEO centre. The second batch of eleven (11) staff visited on 26th – 27th February 2019 applying the same benchmarking approach.

SEAMEO BORDER SCHOOLS PROJECT
INCEPTION WORKSHOP INTER-CENTRE
COLLABORATION (ICC) PROJECT

LAO PDR, 2nd – 4th April 2019 - The 3-day workshop was attended by representatives of border schools, district officers, government officers, SEAMEO Centres, representatives from Department of Teacher Education, Department of General Education, Department of Non-formal Education and Department of External Relations. International donors and partner organizations were also invited to be advised on the intention and take part in the planning of the project. The project strongly welcomes inter-centre collaboration activities to explore expertise on critical issues highlighted in the SEAMEO 7 Priority Areas. The workshop successfully outlined proposed inter-centre cooperation mechanism by building a common understanding on quality education to the children, promote understanding of teachers and school leaders' competency standards and mobilizing and sharing of knowledge, skills and best practices among SEAMEO Member Countries. The main workshop objective is to draw out global and regional learning strategies to assist border schools in facing the challenges to identify opportunities and constraints faced by schools in the borderland area of SEAMEO Member Countries.

Welcoming remarks by Dr. Ethel Agnes Pascua Valenzuela, Director of SEAMEO Secretariat

Mr. Mohd Zulkarnain Abdul Wahab, Training Coordinator Officer presenting on the options for identifying learning needs of students.

TRAINING PROGRAMMES TO BE CONDUCTED IN FY 2019 / 2020

The banner features the SEAMEO SEN logo at the top left, which includes two interlocking gears and a stylized figure. To the right of the logo, the text "SEAMEO SEN" is written in large, bold, white letters, followed by "REGIONAL CENTRE FOR SPECIAL EDUCATION" in smaller white text. Below this, the website "www.seameosen.org" and phone/fax numbers are listed. The main part of the banner is a blue background with a map of Southeast Asia. A central white circle is labeled "SEAMEO MEMBER COUNTRIES" and is connected by lines to the flags of ten member countries: Cambodia, Indonesia, Lao PDR, Malaysia, Republic of the Union of Myanmar, Philippines, Singapore, Thailand, Timor Leste, and Vietnam. A red location pin on the map of Malaysia is labeled "SEAMEO SEN MALAYSIA". In the bottom right corner, a red banner contains the text "TRAINING PROGRAMMES TO BE CONDUCTED IN FY 2019 / 2020" next to a small gear icon.
