

## Registration Requirements of Online Training on Teachers' Competence Improvement

SEAQIL is committed to always support the quality improvement of language teachers through its products and programmes. This year, following the success implementation of Online Training on Teachers' Competence Improvement in 2020, SEAQIL will once again conduct the programme from 5 April—5 July 2021 using an online language learning platform, i.e Altissia (Online language learning platform founded in 2005 by language experts from Université Catholique de Louvain, Belgium). This 3-months training aims to improve language skills of 600 English, French, German, Portuguese and Spanish language teachers in Southeast Asia.

### Advantages

- Customised and contextualised learning suitable for the needs of participants
- Learning material suitable for all CEFR levels
- Learn anytime and anywhere. SEAQIL use online platform with 24/7 access for language training
- Internationally-recognised certificate

### Notes:

- 1) Certificate of participation will only be given to teachers who fully participate in the training for a minimum of 64 hours via learning platform and complete the training evaluation form.
- 2) Certificate of achievement will only be given to teachers who fully participate in the training for a minimum of 64 hours via learning platform, success to increase their language skills for one or more level based on the placement and final test result as well as complete the training evaluation form.

### Requirements
